

# INCOME CHANGE REQUEST FORM

In order to request an interim adjustment to your rent portion, you must complete this attached form and return it with the required documentation as proof of the change within ten (10) business days of when the income change happens. Failure to report an increase in income may require you to repay money to MPHA.

The change **will be effective on the first of the month following a full month waiting period** in order to gather necessary information and to provide a 30-day notice of your new rent portion. For example:

- If you report a change in January, January is your reporting month
- February then is the waiting month, allowing us time to gather replacement income information and provide both you and the property owner a 30-day notice of the change
- The change will be effective March 1<sup>st</sup>

Under MPHA's Rent Reform Initiative, household members who are employed do not need to report increases in earned income. Household members who are employed may increase their earnings or get an additional job without reporting the income change until the time of their annual re-examination. However, increases in income that are not from employment and any new employment for any previously unemployed household member must be reported.

Additionally, under the Rent Reform Initiative, requests for an interim to decrease your income are limited to one per year (only one decrease in income is allowed between annual recertifications). Families can apply for a hardship waiver of this limitation under certain circumstances.

The following is a list of the required documents needed to process your interim, depending on the type of income change occurring. Failure to provide this documentation will result in a delay of the interim rent adjustment. Please attach the appropriate documentation to this form, according to what type of income change you are reporting. Please retain a copy of the fax confirmation, email transmittal, or date stamped receipt of your submitted request for your records.
