

**PUBLIC BID OPENING TABULATION**  
**Invitation for Bids No. B17011, Residential HVAC Maintenance and Repair Services**

This public bid opening is being conducted as detailed in Section 6.9 of HUD Procurement Handbook 7460.8 REV 2. During this public bid opening, we will only read the name of each bidder and his/her total calculated proposed fees. A copy of this tabulation will be available to the public after the bid opening. Bids will not be made available for public inspection until after the MPHA has completed award. Because the MPHA has not yet completed its due diligence, the MPHA will not designate any "apparent low bidder" at the bid opening, but will do so after it conducts all the required due diligence. The MPHA will, after the bid opening, fully investigate all bids for responsiveness and will conduct its due diligence to ensure that the eventual successful bidder is fully responsive and responsible.
